June 30, 2006- Auto accident Springfield Pike & Congress. Response time 1.5 minutes

Public Relations

Wellness checks were done in the Village Square this month. The turnout was much better with about 15 residents taking advantage of this service. Weather permitting we will continue this program in the square.

We attended and assisted Rozzi's fireworks during St. Gabes festival

Miscellaneous

The fire hydrants were flushed and lubricated in the Village this month. There were no major problems with the hydrants. In the fall we will pump the water out of the hydrants to avoid them freezing in the winter.

Sent fire reports for May to the State.
